Hi Erica – thanks!

Yes, let's chat on Thursday when you are here, and we can loop in other staff as needed. If they are questions about any projects other than my own, I'm not sure I'll be much help, but maybe we can consolidate the list and I can send to the appropriate folks for edits.

If they are just larger structural questions or things like that, I'd be happy to help/discuss on Thurs. Looking forward to it!

Hi Karina,

Thank you for sending your report. I apologize for not emailing last week to let you know I received it.

The report has a lot of good detail and the hyperlinks are helpful.

I do have a some questions and would like to set up a time to go through the report. Here are some options:

1. Talk on Thursday if there's time
2. 11/13, morning of 11/14, or morning of 11/17

Best,

Erica
